Dear President,

**Re: 2011 Phil-Asia International Bodybuilding Championships, Cebu,  
Philippines.**

We would like to thank Jim Pitt and NABBA NZ for arranging and affording us with the opportunity to experience an International Bodybuilding event such as the one in Cebu. Like all travellers we learnt a lot about ourselves, we were retiring in our judgments and we had a really good time.

It was a memorable experience learning about new cultures, different lifestyles and International Bodybuilding. We have met many great people who we hope we will have lasting acquaintances.

We look forward to continuing our training and look forward to a prosperous and exciting new year.

Thank you NABBA NZ.

Kind Regards and Merry Christmas,
